

KIDDO - Artist / Songwriter / Topliner

As one of Sweden's most exciting and creative songwriters, KIDDO sets a mark with her distinctive vocals and intimate songwriting style.

KIDDO has co-written songs for Icona Pop, Dagny, Yellow Claw, Gashi, John Newman, YouNotUs, Shy Martin just to name a few.

KIDDO has releases lined-up with Robin Schulz, Alle Farben, R3HAB and many more in 2020.

As an artist KIDDO stands out from regular pop perfection in terms of content and music. Her singles „Drunk & I Miss You“, „Coming Down“ and „Bang My Head“ hybridizes urban pop with vintage sounds - a combination of her love for contemporary pop melodies and indie rock guitars.

Next to the music she is very involved in the content by drawing the music videos herself.

KIDDO is published by Whizz Kid Publishing and Warner / Chappell
