

## **CRISPIE x ILIRA - Ladida (my heart goes boom)**

CRISPIE is the pseudonym of a Berlin-based producer collective. They want to let the music speak for itself and strive to keep their true identities secret.

For their first release „LADIDA“, they are very happy to collaborate with ILIRA, one of the most exciting upcoming artists. She has previously featured on big hit records such as Alle Farben's „Fading“ and Tiësto's „Lose You“.

„LADIDA“ is a remake of the 90s smash hit „My Heart Goes Boom“ by French Affair. The song went Top 10 in 9 countries including Germany, Canada, Spain, Italy, and France.

CRISPIE feat. ILIRA „LADIDA“ will be released on July 3, 2020, and aims to be more delicious than your favorite breakfast cereal.
